Hattons Travel was founded in 1987 by Kenny Hatton in St Helens, Merseyside, starting out as a small family-run bus company offering local day trips and excursions. With a strong focus on customer care and reliable service, the business quickly grew into coaches as well, expanding into UK and European holidays, school transport, and private hire. As the company developed, Kenny's sons, Brian and Dave Hatton, took over the reins, continuing their father's legacy. Under their leadership, Hattons Travel became a trusted name in the travel industry, known for its quality coaches and friendly service across the Northwest.
